We, the staff of the 1958 *Hesperian, dedicate this yearbook to the students of the Oregon City Senior High School.*

Our purpose in high school is to become educated not only through studying and gaining knowledge but also through taking part in activities which help us grow in our readiness for entrance into the busy and ever-progressing world. Into this volume we have placed a record of these activities as some of the memories of our high school days never to be forgotten.

We dedicate this book to the under-classmen, who still have many happy and profitable high school days ahead of them. But we dedicate this yearbook especially to the seniors, whose high school days have swiftly passed and who will soon know these clubs and other activities only as memories.

Thus, that the memories of our high school activities may endure, we have recorded them in the Hesperian, a treasure chest of memories of the school year 1957-58.

STUDENT COUNCIL

During the past year the student council has aimed to advance the status of our school by more effective execution of its functions. One improvement of the council, which consists of the president, vice president, secretary, boys' representative, girls' representative, editors and managers of the Hesperian and of the Elevator, was the addition of an inter-club council representative. The inter-club council was organized to bring the clubs of the school into closer contact with one another and to ease the financial burden of decorating and improving the Pioneer Building for those clubs which sponsored social activities there during the school year. One of the major projects of the student council was to inform the students and their parents of the Oregon Youth Code. The council has worked hard to strengthen school spirit and to promote coherence of the students, faculty, and administration.

We, the student council, wish to thank everyone, students and faculty alike, who have made our jobs easier during the past school year.

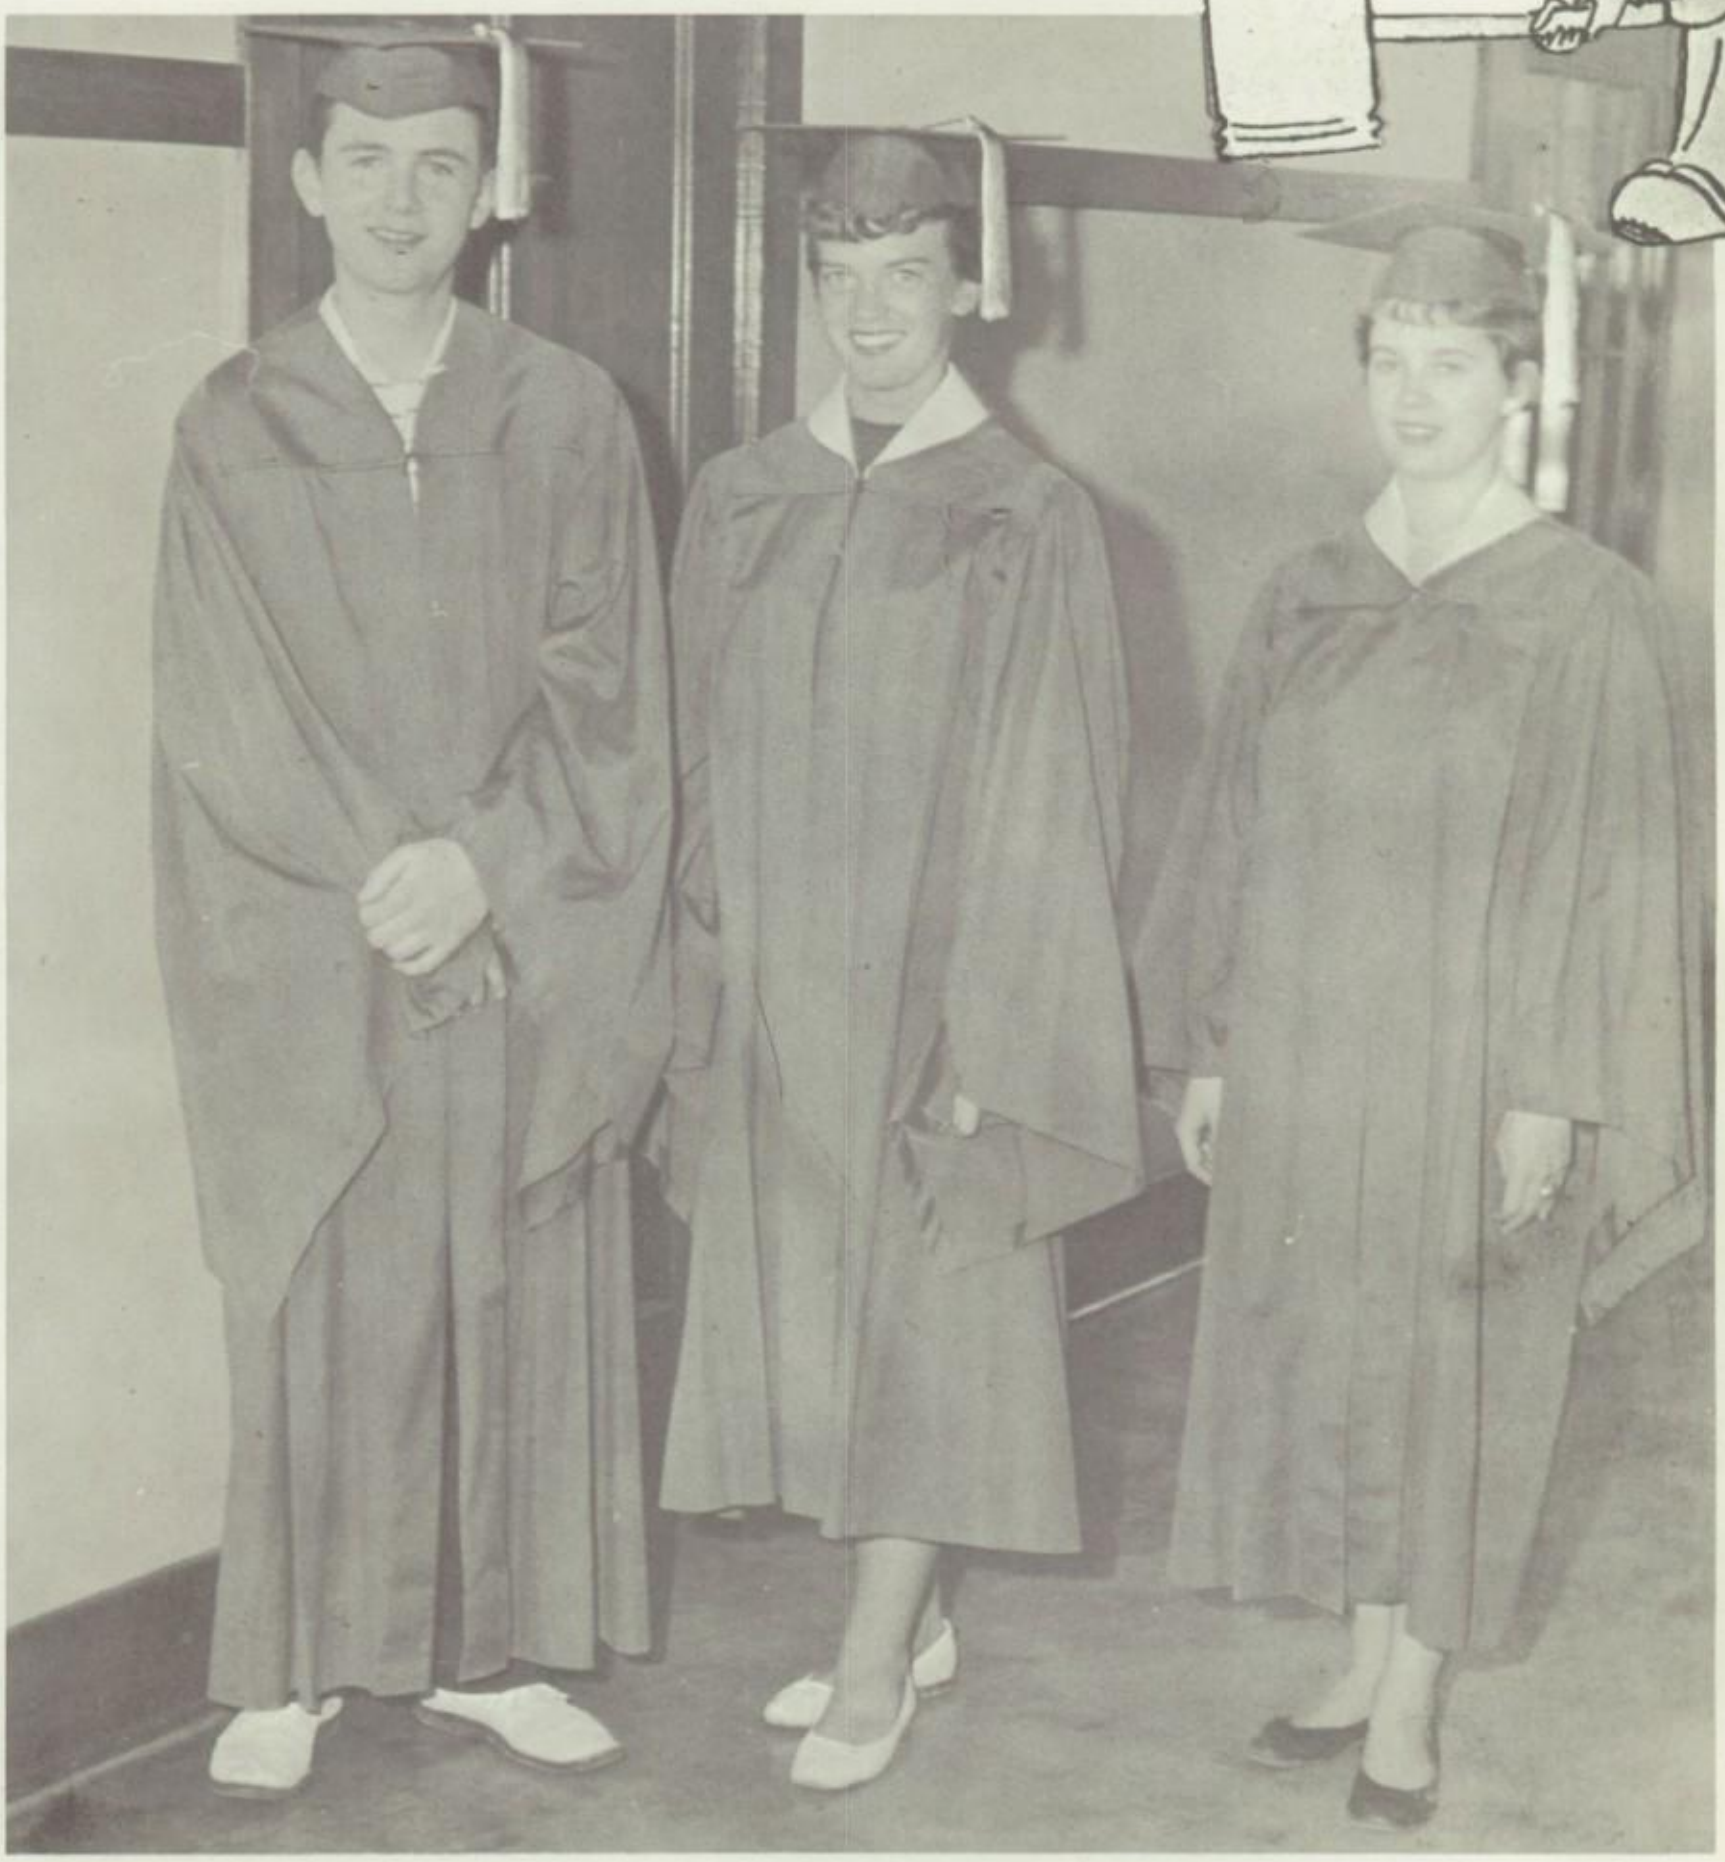
GRADUATING CLASS

CLASS OF '58



The officers of the Senior Class: Dick Smith, President; Laura Felbick, Vice-President; and Sue McBurney, Secretary.

The Class Log:

This year was a special one to us, the Seniors, who realized that it was our last year to enjoy many of the friendships which we had formed in high school. Our first class activity of this year was the Senior Class Play, "You Can't Take It With You," which was a great success. Next came the Senior Class Party.

Concluding our high school activities was the Senior Banquet, which we will never forget. Finally the night which we had been eagerly awaiting arrived. Graduation night—a milestone in the life of every Senior and a night to be remembered forever.

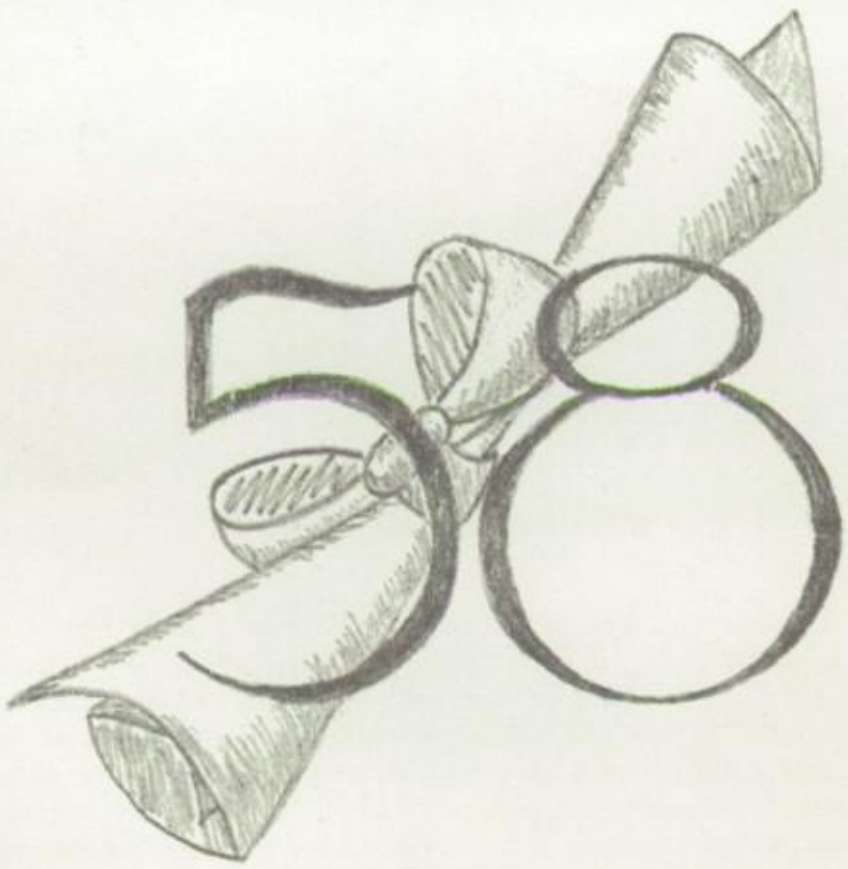
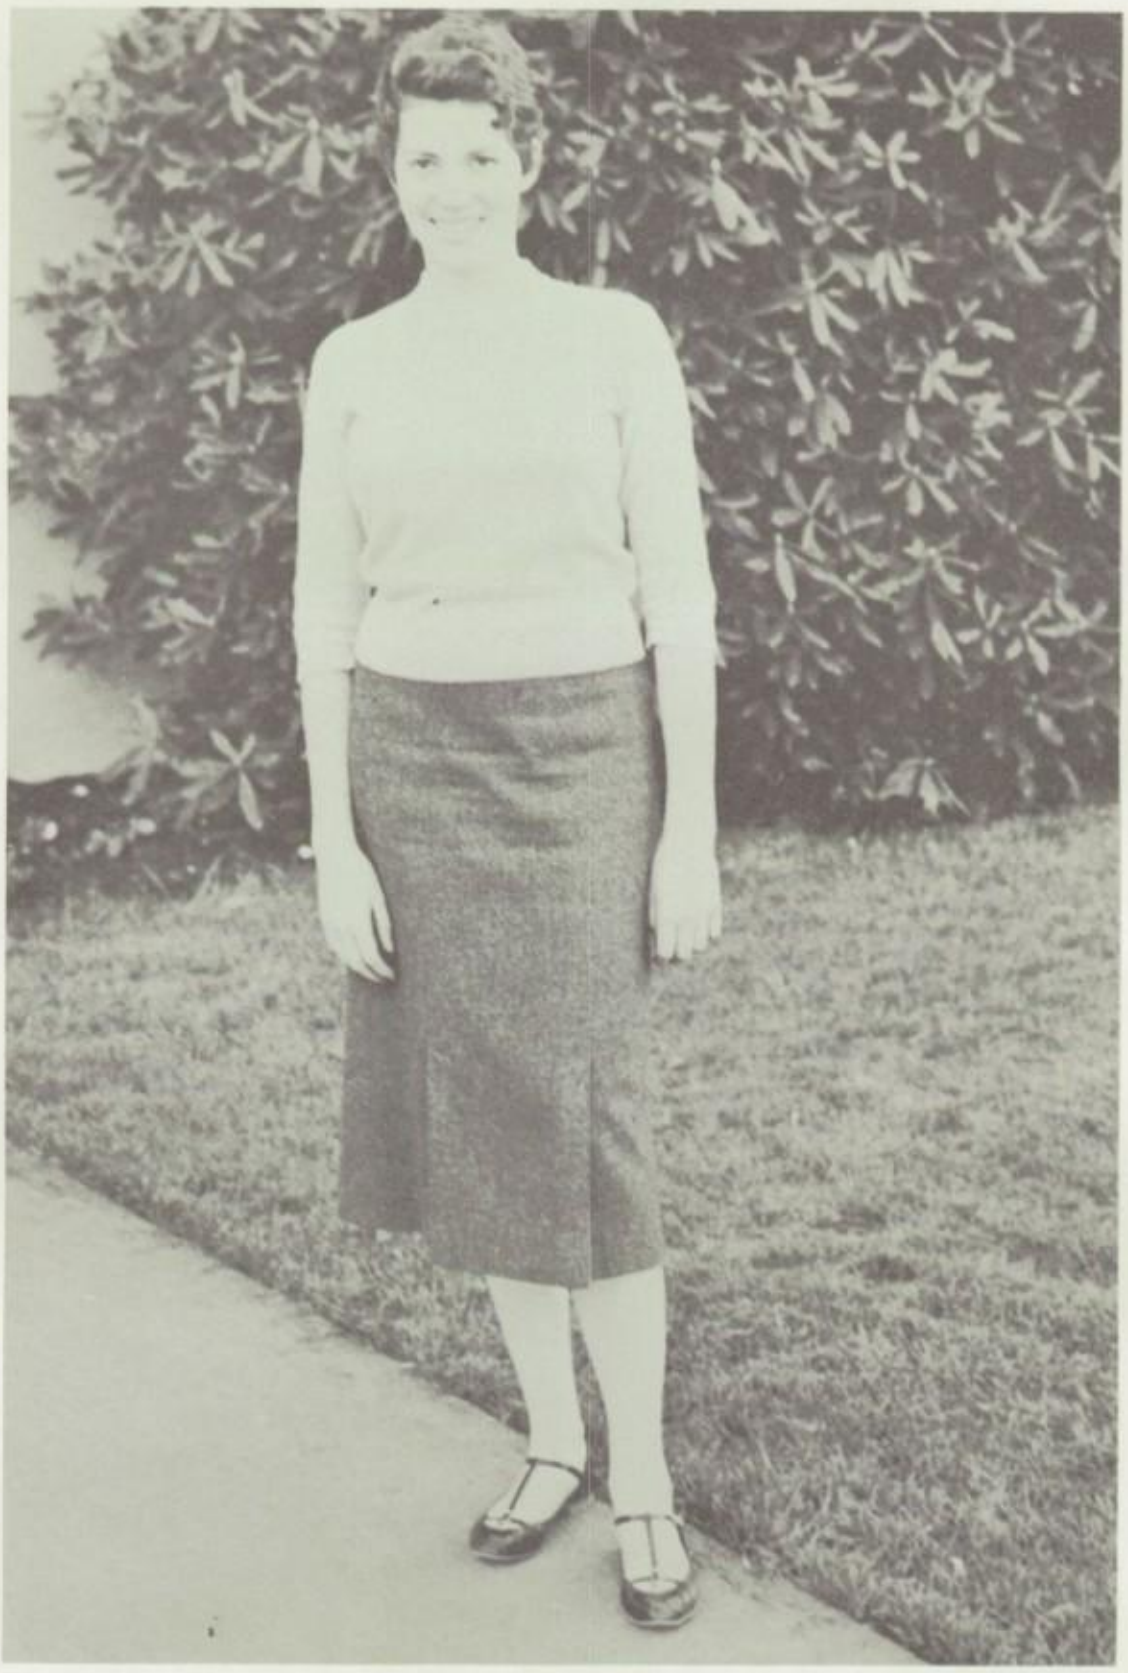
As we, the seniors, gaze down the halls of our alma mater at this graduation time, we recall all the happy and never to be forgotten experiences of our high school days. We fondly remember the formal dances, the basketball and football games, and the class plays, all of which have added much to our high school enjoyment. These events are now passed, but memories of them shall linger in our hearts forever.

We shall soon enter the realm of the adult world. We shall miss the friendly classmates we have known and the teachers who have given us a helping hand on the road to knowledge. For now, all this is forming the past, and we look to the future.

We, the graduating class of 1958, say FAREWELL to Oregon City High School and to all the events which have made the memories of our high school days so vivid.



OUR EXCHANGE STUDENT FROM LUXEMBURG



When I first came to this wonderful country, I was a little bit scared; I didn't know very much English, and I didn't know anything about my American family. I didn't know if the students would accept me. But then, when I met all these nice and helpful people, I lost my fear and I enjoyed myself. I had the nicest year in school that I've ever had, and I owe it just to you, the students and the teachers.

This year has been a wonderful experience for me, and you all helped a lot. I got to know quite a number of students from sophomores through juniors up to seniors, and I liked all of you very much. I mean it, too.

We had a lot of fun together, and I thank you for whatever you did for me. Good-bye and I hope to see many of you over in Europe.

Best of luck in everything you do.

Sincerely,

Marianne Kemp

Unique decorations to the theme of "Ebb Tide" lent a marine atmosphere to the 1958 Junior-Senior Prom held in the Elks' Temple.

Gayle Tschopp, escorted by LeRoy Davidson, was crowned Queen of this annual affair by Wayne Jolly, the Junior Class Vice-President. Music for this evening of dancing was provided by Ken Knott's orchestra.

Bottom Row: Carl Lane, Terry Kelsay, Chuck Mendenhall, Darel Sieker, Dale Hannaford, Bill Mahoney, Jerry Kennedy, Walt Powell. *Top Row*: Wayne Bauer, Coach Burnell Bohn, Jerry Poppen, Ray Sharback, Ron Granquist, Dennis Isaacson, Mike Higginbotham, Gary McGahuey, Dennis Karlik, Manager.

Because of the addition of two new teams to the league, the Pioneers will play each team only one game that will count in the league standings. This will necessitate the addition of several non-league teams to the schedule. The team will lack players of varsity experience as only three lettermen will return from last year.

Bill Mahoney, who was a regular left fielder last year, has been moved to catcher. Bill is a real team player and hustles all the way. Ted Hendry, a letterman pitcher, has improved rapidly in the last year and is expected to be our pitching ace this season. The other letterman is Terry Kelsay, who has been moved from third base to shortstop. He is a good hitter and a fast base runner. The rest of the team will be made up of last year's Junior Varsity and some promising sophomores.

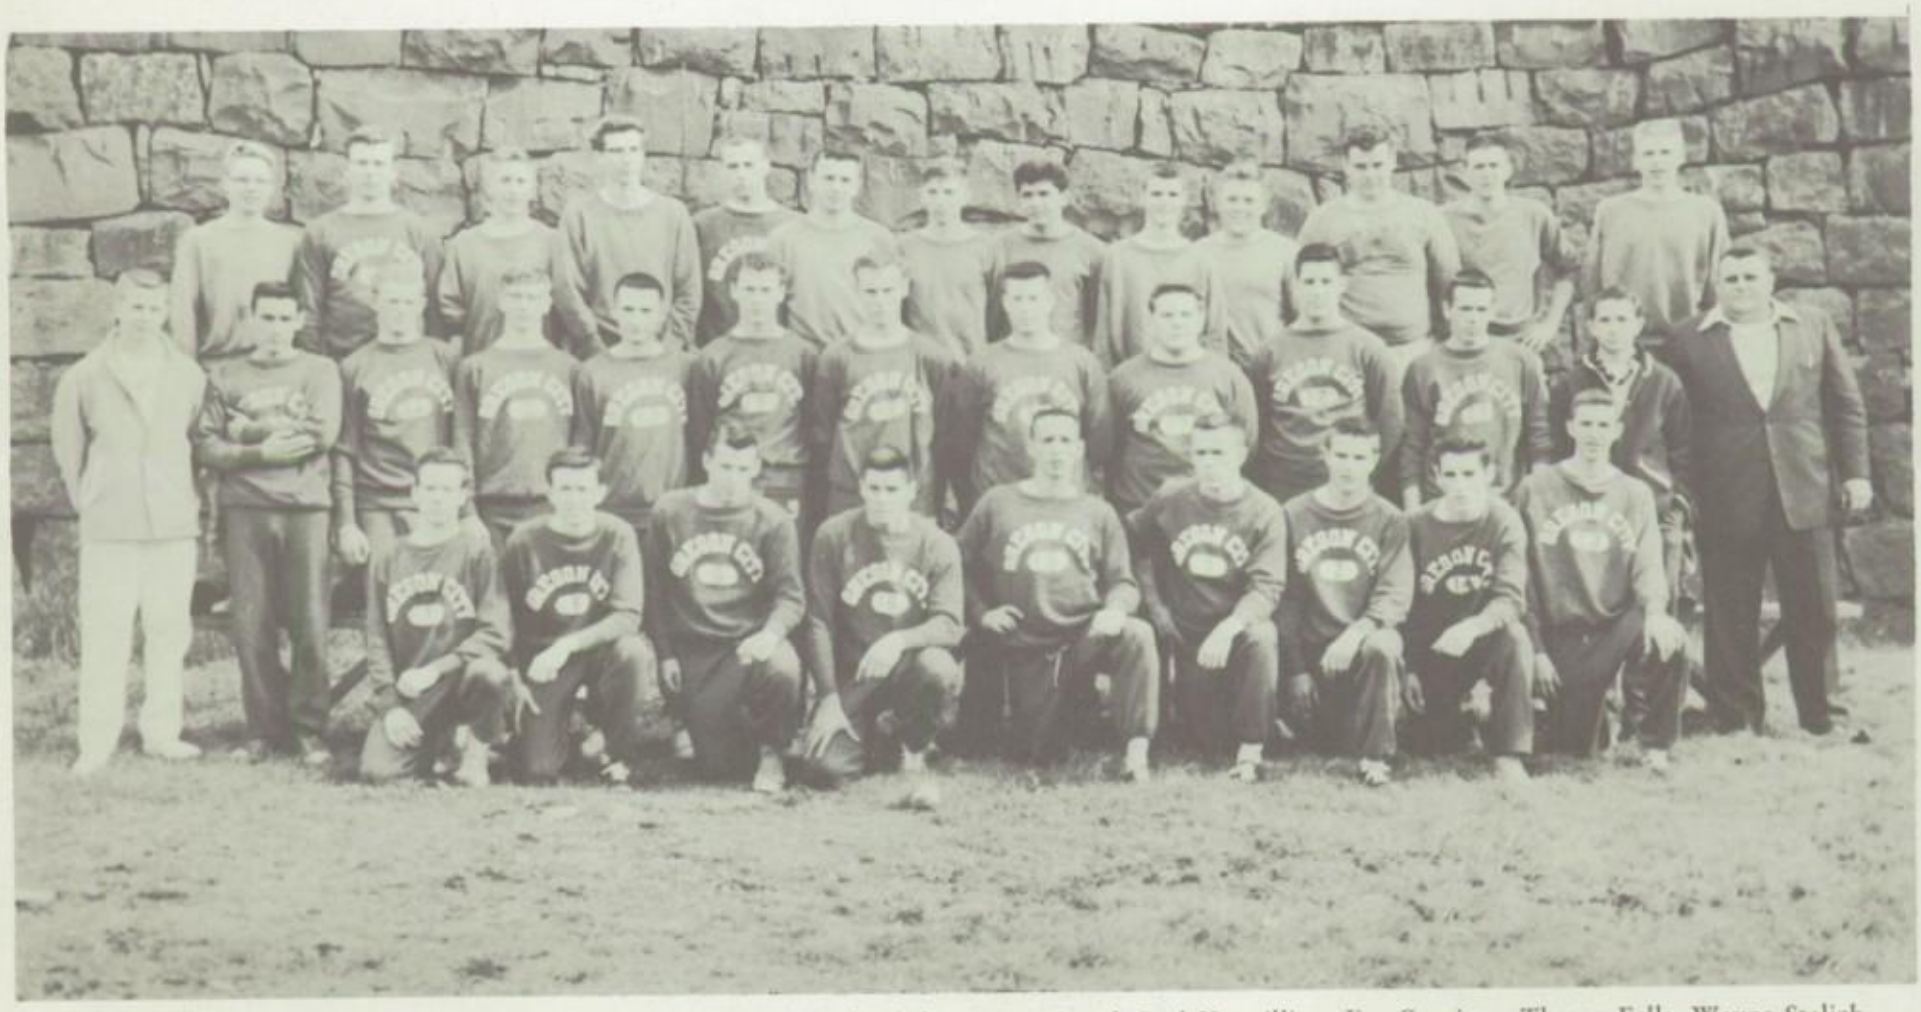
J.V. BASEBALL

Bottom Row: Marlin Swick, Doug Kelly, Jack Lindquist, Bailey Seida, Jack Kohl, Don Frost. *Top Row*: Jerry DuBois, Dennis Bass, Dave Robinson, Duane Watt, Herb Kamrath, Ed Hauck, Mr. Nutter, Coach.

The baseball season began on the gloomy side for the J.V. Pioneers with such bad weather that three games were canceled, and the team had only two days to practice outdoors before playing their first ball game.

TRACK



Bottom Row: John Barnum, Kern Bowman, Larry Tracy, Dick Phelps, Jerry Gettel, Rod Vermillion, Jim Garvison, Theron Eells, Wayne Stalick. *Row* 2: Gary Dennison, Phil Roos, Gary Gibson, Bob Sullivan, Bill Gettel, Kermit Piland, Tom Noakes, Ron Wehling, Monroe Sipe, Bill Serres, Terry Dugan, Tom Bauer, Mr. Elliott, Coach. *Row* 3: LeRoy Watnee, Bob Nichols, Bill Blue, Danny Cooke, Gary Reddaway, Ron Hass, Mac Shambaugh, Jim Lazarides, Jim Lahrop, Pat Woods, Dick Marlow, Jim Petticord, Roger Setera.

This year Oregon City has a fine group of track men, and the prospects for a fine year are very favorable. The group has a good chance at the District Championsship with several returning lettermen and a promising group of newcomers.

GOLF

Alan Darr, Ken Roberts, Dick Weleber, Mark Essig, Bob Carter, Dan Taylor, and Mr. Rutherford, Coach.

At Oregon City High, golf is our newest sport. Just this year it has been recognized by the student council as a letter sport, and interest in it is rapidly growing.

This sophomore girls' gym class is really working hard at those callisthenics under the direction of Mrs. Eggleston, our girls' physical ed teacher.

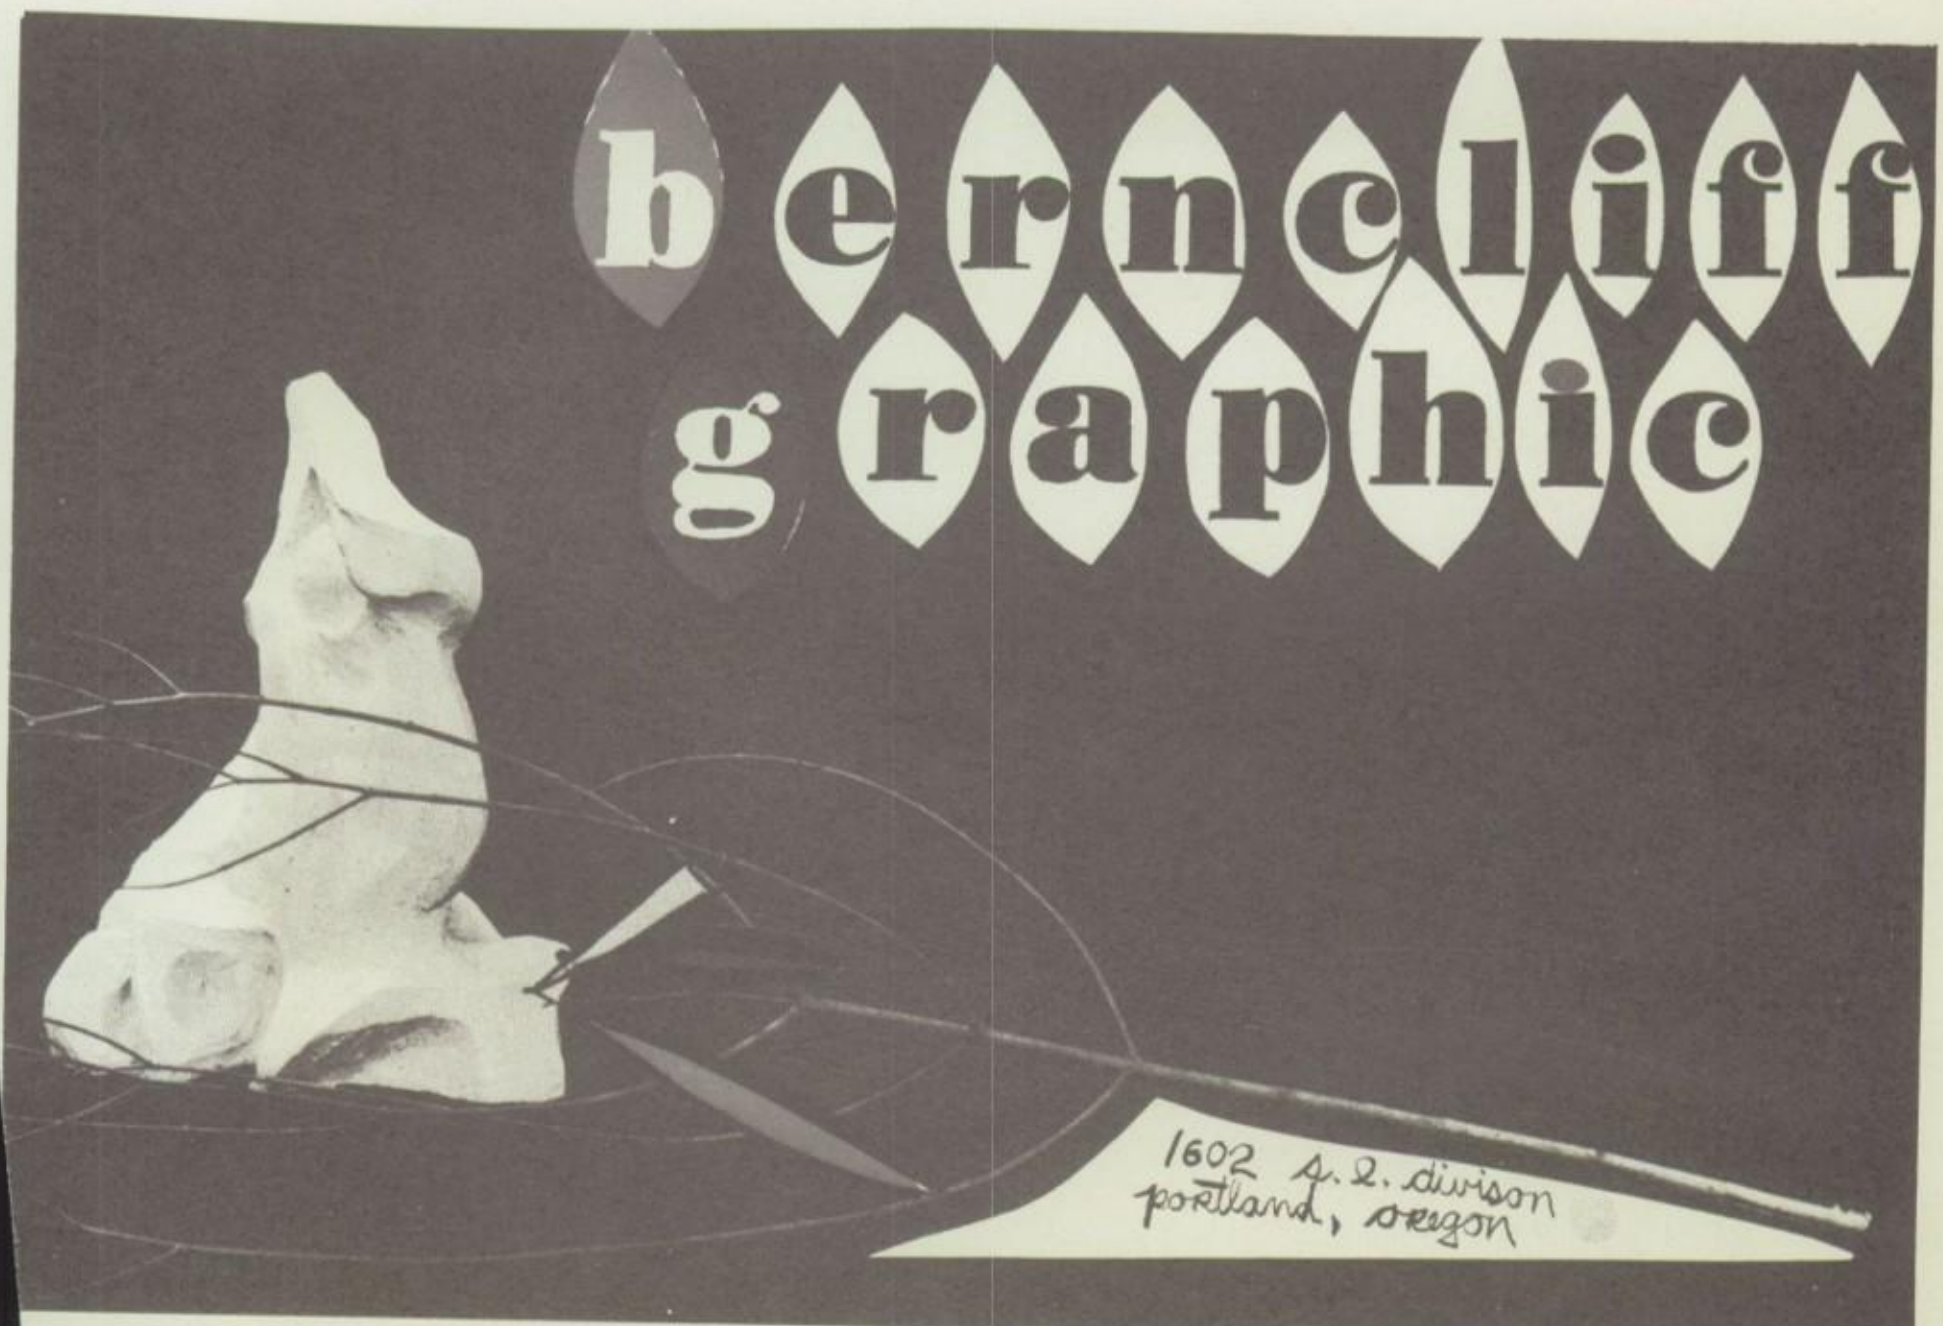
SALEM -- OREGON CITY



Dear Larry, Golly, am I really that bad?! I really think that I might be crazy!! Just think of all the fun we have had since May 26, 1957! A total ball eh? Oh, I forgot we did have fun, too, the night when the lights went off at the Christmas Ball in the 7th grade! I'll never forget what you talked about! Much less, that flashlight you had! Oh brother!! I have had so much fun with you, that it is hard to begin. Remember when we went swimming at 10:00 A.M. at the Clackamas and had our picture in the paper!? What a panic! Then all so leaving the berry patch to go with you guys Remember those ladies who swam across the river in those intertubes! How could you forget? We have done just gobs and gobs of things together, eh? Like going to Lonf Pines shows! The two I remember most are the, Drive-in with Ken and Diane, what a riot, and then when we saw "April Love"; I choked on my pop and heaved all over! I shall never forget how embarrassed I was! Oh Gosh! Remember all the neat times at Oaks! I thank you mightay kindly for taking me to the zoo, as often as you did! It was more fun. Here's another thing I'll never forget! The time your mom was listening to us talk over the phone! oh gad!! I felt 1½" high!! Do you remember what happened Sept. 15, 5 That was neat!!

But I really do believe the neatest night of my life was November 23, 57!! I shall never forget.

Another high light was the Christmas Ball! It too, was just tons of fun!! Do you remember when and I and Ken

and you had your little accident! I thought I'd die!!

Boy, I think it really paid for the league to go skating, don't you? After all, look at the fun we have had, and the money, you have made!!

Well, to go on! I also remember March 24, 1958, very clearly! The worst day in my life. But, thank goodness, it only lasted till April 22, 1958!

Golly, just think, I beat you at one round of bowling; I must be good, eh?

I hope that you aren't getting discouraged, with me about cars! I'm learning! If you want different papers, just come over again, and I'll help ya! Ha.

No lie, Larry, I wish I could thank you enough, for helping me have the best year of my life! It has really been swell! I know that we have had our squabbles, but who hasn't!? I know that it is usually my fault, because I'm so selfish! But I'm trying, honestly, to get over it! I think I have got over 50% of my ~~jeal~~ J.J. part!! Just give me a little more time, and maybe I won't grip about having to go skating all the time to see ya!! Golly I think that Mollala (sp) is a neat play on a Monday, agree!? Well, Dizzy, I hope this book is a fraud, cause it says "The End"!! I hope it will continue to increase in volume and ~~it will~~ increase our friendship.

The very best of luck to the neatest guy I know!
May we always be friends,
Your steady,
Judy Bippus.
